This statement of *Special Inspections* is submitted as a condition for permit issuance in accordance with the Virginia Uniform Statewide Building Code. It includes a schedule of special inspections applicable to this project.

The *Special Inspections Engineer of Record* shall keep records of specified special inspections and testing and shall furnish copies of inspection and testing reports to Chesterfield County Department of Building Inspections and to the appropriate registered design professionals of record. Discrepancies from the approved plans and specifications and code violations observed during the conduct of special inspections services shall be brought to the immediate attention of the contractor for correction and to the attention of Chesterfield County Department of Building Inspections and to the appropriate registered design professionals of record. A *Final Report of Special Inspections* documenting completion of specified special inspections and correction of any discrepancies and observed code violations noted in the inspection and testing reports shall be submitted to and approved by Chesterfield County Department of Building Inspections prior to the issuance of a Certificate of Occupancy.

### FINAL REPORT OF SPECIAL INSPECTIONS

PROJECT: \_\_\_\_\_

Address: \_\_\_\_\_

Special Inspections Engineer of Record: \_\_\_\_\_

Inspection reports numbered \_\_\_\_\_ to \_\_\_\_\_, and test reports numbered \_\_\_\_\_ to \_\_\_\_\_, all submitted prior to this Final Report, form a basis for, and are to be considered an integral part of this final report.

In my professional opinion, the special inspections specified for this project and itemized in the Statement of Special Inspections submitted for permit have been completed. The building elements subject to special inspections have been found to be in compliance with County-approved documents and project specifications. Violations of the Virginia Uniform Statewide Building Code observed in the conduct of special inspections services were brought to the attention of the appropriate registered design professional of record, the County and the owner for resolution and the resolution was approved by the County.
